Designed by ORI America
The Housing Authority of the City of Redondo Beach Homeless Incentive Program (HIP) offers monetary incentives to encourage landlords to rent their available units to the Housing Authority of the City of Redondo Beach homeless Section 8 voucher holders. Funding for the program comes as part of the Homeless Prevention Initiative, a collaborative effort between multiple County agencies supported by funding from Los Angeles County Measure H, and includes the following components:

**Holding Fee**: Incentivizes landlords to rent housing units to homeless individuals and families by offering one month’s free rent to hold available units while applicants are referred.

**Payment of Rental Application Fees**: Provides payment of all applicable application fees, up to $50.00* per adult per application.
*This amount is subject to change based on California’s maximum application screening fee.

**Move-In Assistance**: Provides move-in assistance such as a security deposit and utility assistance for homeless individuals and families.

**Damage Claims**: Provides additional assistance to landlords for unit repair cost beyond the security deposit, not to exceed $2,000.

Landlords participating will:

- Receive up to one month’s rent to hold vacant units.*
  *Rent amount is determined by the current Los Angeles County Fair Market Rents based on bedroom size.
- Receive expedited housing quality standard inspections.
- Have a specialized staff to assist with concerns.
- Receive referrals to fill vacancies.
- Receive reliable rental payments from the Housing Authority of the City of Redondo Beach.
- Receive access to funds for unit costs beyond normal wear and tear once the family moves.
