Welcome to the Redondo Beach Fire Department

Welcome to the Redondo Beach Fire Department web site. We hope the information provided will be helpful to you and your family. The Redondo Beach Fire Department is a full service Fire Department that provides fire suppression, emergency medical, code enforcement and marine safety services. Our mission is "Serving the community by protecting life, property, and the environment through prevention, education and emergency services."

The Redondo Beach Fire Department provides its services from three Fire Stations strategically located within the City boundaries. Additionally, Fire Station #3 serves as headquarters for our Harbor Patrol unit providing services to all boaters within the Marina. The Redondo Beach Fire Department provides for the public's safety by deploying and staffing a variety of emergency response vehicles. In addition to firefighting, the Department cross-trains its staff to provide special services such as emergency medical care, hazardous materials management, and special rescue operations.

Our Department maintains two dedicated paramedic units, three fully staffed fire engines, a battalion chief, a 100' ladder truck and a fire boat. Additional resources include a hazardous materials response unit and light/air support vehicle, these Department resources are available 24 hours a day for those in need.

The Fire Department responded to 6,160 incidents in 2014. These incidents were divided into 4,338 emergency medical incidents and 1,822 fire related incidents. Additional fire related incidents included assistance for hazardous spills, fire alarm system activations, investigations and public service calls. Many of these incidents required more than one responding unit, resulting in 9,354 total responses by emergency apparatus.

Sharing the Ocean

In Redondo Beach, we are truly fortunate to have the opportunity to observe the yearly migration of the majestic gray and humpback whales.
